Quality Delivered. In Hospitality, Residential & Commercial

- **Customized Services**

We offer end to end FF&E solutions. Everything your project needs, we can supply, using our own manufacturing facilities at the best prices.

- **Highest Standards**

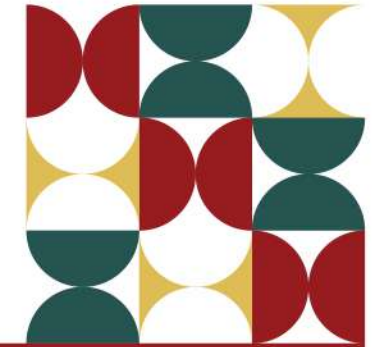

We maintain a stringent quality policy using ISO 9001:2008 certified quality management systems. Our products are created from the best quality raw materials that follow LEED certified environmental practices.

- **Professional Team**

Our ability to deliver efficient results for our clients starts with our team of widely experienced experts. We are dedicated to go beyond your expectations to deliver your vision.

Quality Delivered. In-house.

Our workforce is experienced in custom manufacturing for more than 20 years and our stern quality control procedures are the key factors resulting in superb quality and value for money.

I-Field manufactures everything in-house. This allows us to provide the highest quality goods at the most cost effective prices directly to our clients.
